

SCANNER RENTAL PROGRAM

The Visioneer Scanner Rental program is designed for clients who prefer project specific short term monthly scanner rental.

Experience goes a long way, and at Visioneer we know scanners, plus we have been successful in the digital imaging industry for over 25 years. We have helped many different companies with specific environments and infrastructures by setting them up with the exact solutions for their specific needs. So renting from Visioneer not only provides a high-quality reliable Xerox® DocuMate® scanner, but also real-world experience, technical support and customer service with the know-how and expertise to set it all up and get the job going.

Visioneer rents out select Xerox® DocuMate® scanners that have a proven record of reliability and high-performance, offering business users speed, imaging quality, advanced features and ease-of-use. All our scanners come with exclusive Visioneer OneTouch technology and Acuity image enhancement software. Whether you need to scan 10,000 documents or 10 million documents, the Xerox® DocuMate® scanners are designed to handle any job, plus save you time and money in the process.
